COMMENTS ON
STATEMENT OF REASONS FOR ALLOWANCE

Responsive to the Notice of Allowance mailed on May 31, 2005, and the Examiner's Statement of Reasons for Allowance dated April 14, 2005, Applicants agree with the Examiner's conclusions regarding patentability of the allowed claims, without necessarily agreeing with or acquiescing in the Examiner's reasoning. In particular, Applicants believe that the application is allowable because the prior art fails to teach, anticipate or render obvious the invention as claimed, independent of how the invention is paraphrased.

I hereby certify that this correspondence is being facsimile transmitted to the USPTO at (571) 273-2885 on Aug 24, 2005.

Respectfully submitted,
